

Population Genetics of Plant Pathogens CD-Rom

Licensing: This CD-Rom is available as a "Personal Use" version or as a "Computer Room /Local Area Network" version. The specific version you purchase determines who is entitled to use the CD-Rom. If you purchase the 5-Packs, each individual CD-Rom is licensed for Personal Use only. Please read the following before you decide which version to purchase.

- **Personal Use Version:** Item Number [43216](#)
- **Personal Use Version 5-Pack:** Item Number [43216PK5](#)
- **Computer Room / Local Area Network Available to 30 or Fewer Students:** Item Number [43216Ntwrk30](#)

"Personal Use" version purchasers are entitled to utilize this product for your own individual course instruction and may not lend, lease, or rent the product to others. You may not make the product available by network.

"Personal Use Version 5-Pack: Instructors may purchase 5-packs of the Personal Use Versions for distribution or re-sale to their students. Students who receive the program in this manner are then allowed to use the product according to the same entitlements and restrictions as indicated in the "Personal Use" description above.

"Computer Room / Local Area Network Made Available to 30 or Fewer Students: Instructors who purchase the Computer Room Local Area Network version are entitled to make this product available to up to 30 students on a department Local Area Network (LAN) for use by those students enrolled at a single location. You may not transfer reproductions of the software or presentations to other parties in any way and may not lend, lease, or rent the product to others without the prior written consent of APS PRESS.

For other uses, or if you have misplaced your invoice and need to identify which version you purchased, please contact: APS PRESS, 3340 Pilot Knob Road, St. Paul, MN 55121 USA. Telephone: +651.454.7250; Fax: +651.454.0766
