

Assess: Image Analysis Software for Plant Disease Quantification

LICENSE AGREEMENT:

This is your License Agreement for use of Assess: Image Analysis Software for Plant Disease Quantification (hereafter referred to as the Program). Your use of the Program constitutes acceptance of the Agreement. Please read the terms and conditions of this license agreement carefully before using the software. The American Phytopathological Society (hereafter referred to as APS) is willing to license the software to you as the individual, the company, or the legal entity that will be utilizing the software (referenced below as "you or your") only on the condition that you accept all of the terms of this license agreement. This is a legal and enforceable contract between you and APS.

By opening this package, breaking the seal, clicking on the "agree" or "yes" button or otherwise indicating assent electronically, or loading the software, you agree to the terms and conditions of this agreement. If you do not agree to these terms and conditions, click on the "I DO NOT AGREE", "NO" button, or otherwise indicate refusal, make no further use of the software, and return the full product with proof of purchase to the dealer from whom it was acquired within thirty (30) days of purchase, and your money will be refunded.

This Program is the property of APS and is protected by international treaty provisions and United States copyright law.

You are granted a license to use this Program under the terms stated in this Agreement. APS retains all titles, copyrights, intellectual property rights, and ownership of the Program.

APS authorizes you to make one archival copy of the Program for the sole purpose of backing up your Program and protecting your investment from loss. The backup copy must be labelled or named as such and must include all copyright statements. Any other use of the Program without written permission from APS is in violation of copyright. You shall take reasonable action to restrict and control all use of the Program licensed hereunder, to enforce the restrictions, and to prevent access except to those authorized by the terms of this Agreement.

RESTRICTIONS:

You may not rent or loan the Program without the written permission of APS. You may not decompile, disassemble, reverse engineer, copy, create a derivative work, or otherwise use the Program except as stated in this Agreement. You are granted license for use of the Program as Single User Version License or as a Multi-User Version License. You may copy or print out the documentation which accompanies the Program.

SINGLE USER VERSION LICENSE:

Use of the Program is limited solely to the individual purchaser. It may not be

loaned, rented, or otherwise shared with other individuals. The CD-ROM and its content may not reside concurrently on more than one computer and it may not be networked.

MULTI USER VERSION LICENSE

The Multi User version of the Program may not be networked. It is available for use by an unlimited number of individuals.

The Program may be shelved at a single facility to be borrowed by individuals for use in that facility or taken elsewhere for use, or to be hosted on a single shared terminal.

Multiple user versions are marked with a stamp on the face of the disc and/or a label on the software manual.

LIMITATION OF WARRANTIES AND LIABILITY:

APS warrants that this CD-ROM is free from defects in materials and workmanship under normal use. APS will replace defective CD-ROMs free of charge upon their return to APS. APS makes no warrant that the Program is free from bugs, errors, or omissions.

These warranties are in lieu of any other warranties, expressed or implied. In no event will APS be liable for damages, including financial or otherwise, or other incidental or consequential damages arising out of your use of or inability to use the Program. In no event will APS's liability exceed the amount paid by the Customer for the Program. This will be APS's entire liability with respect to this License. Some states/jurisdictions do not allow the exclusion or limitation of implied warranties or liability for incidental or consequential damages, therefore, the above limitations or exclusions may not apply to you.

CUSTOMER SUPPORT:

APS will make a reasonable effort to answer technical questions concerning the Program through a website designed for this purpose (the web address is designated in the help menu of the program). APS supports the Program only if it is used under the conditions and on operating systems for which the Program is designed. Any technical assistance that APS may provide the Customer is provided solely as a service to the Customer for which APS assumes no liability.

SEVERABILITY:

If a term or condition of this Agreement is invalid or unenforceable, the remaining terms and conditions shall remain in full force and effect and shall be enforceable to the maximum extent permitted by law.
