

University Related Plant Disease and Soil Testing Services

compiled by Gail Ruhl, Senior Plant Disease Diagnostician

Dept. of Botany and Plant Pathology, Purdue University

March 2009

Many states also have diagnostic labs associated with their State Department of Agriculture, or with United States Department of Agriculture (USDA) Research facilities.

STATE	DEPARTMENT OR INSTITUTION PERFORMING SOIL TEST	DEPARTMENT OR INSTITUTION PERFORMING PLANT PROBLEM DIAGNOSIS
Remember, contact your local county extension office for sample submission procedures to the diagnostic lab.
