Authors are to submit one copy of their manuscripts to the appropriate Senior Editor and three copies to the MPPI Editorial Office, 3340 Pilot Knob Road, St. Paul, MN 55121-2097 U.S.A. The Editor-in-Chief acts as Senior Editor for manuscripts describing molecular aspects of nematode-plant interactions. Information for contributors, which describes the scope of this journal and the form of manuscripts, appears near the back of each issue. Authors are requested to see issue number 1 of each volume for full instructions.

Charges: Manuscripts accepted for publication in MPPI will be charged a \$100 processing fee. No page charges will apply for papers of up to six published pages. However, a \$100 charge will apply to each page, or fraction thereof, thereafter. Manuscripts not submitted for final processing on computer diskette are subject to a \$50 per article surcharge to cover the costs of copy input. For reprints, a price sheet will be provided with galley proofs. Authors will be billed after the article is printed in the journal.

Use of material. *Molecular Plant-Microbe Interactions* is copyrighted, and anyone wishing to use data or illustrations appearing in this journal in another publication must obtain permission from the author(s) and from The American Phytopathological Society and provide a line crediting *Molecular Plant-Microbe Interactions* as the source.

Authorization to photocopy copyrighted material for internal or personal use is granted for libraries and other users registered with the Copyright Clearance Center (CCC) Transactional Reporting Service, provided that the base fee of \$3.00 per copy of an article is paid directly to CCC, 21 Congress St., Salem, MA 01970. 0894-0282/92 \$3.00 + .00

Subscription price: \$100 individual and \$235 company, library, or institution per year U.S.A.; \$120 individual and \$255 company, library or institution elsewhere (optional add \$20 for expedited delivery outside the U.S.A.). Canadian GST #R 129888129.

Single current issues (within 60 days of publication): \$40.00. Price of back volume and separate issues on request. Airmail rates for delivery outside North America quoted on request. Claims for copies lost in domestic mails must be received within 60 days of the date of issue; otherwise the replacement charge will be \$40.00. Deliveries overseas are not guaranteed; foreign mailings are made at the subscribers risk. No endorsement of any statements or claim made in advertisements is assumed by *Molecular Plant-Microbe Interactions* or by the publisher. Change of address: Provide Business Office with current mailing label and forwarding address 6 weeks before change.

Molecular Plant-Microbe Interactions® (ISSN 0894-0282) is published bimonthly by APS Press, 3340 Pilot Knob Road, St. Paul, MN 55121-2097.
