Authors are to submit one copy of their manuscripts (with original figures) to the appropriate Senior Editor and two copies to the MPMI Editorial Office, 3340 Pilot Knob Road, St. Paul, MN 55121-2097 U.S.A. Information for contributors appears in the back of No. 1 and on APSnet.

**Charges.** Manuscripts accepted for publication in MPMI will be charged a \$150 processing fee. No page charges will apply for papers of up to six published pages. However, a \$150 charge will apply to each page, or fraction thereof, thereafter. Manuscripts not submitted for final processing on computer diskette are subject to a \$50 per article surcharge to cover the costs of copy input. For reprints, a price sheet will be provided with galley proofs. Authors will be billed after the article is printed in the journal.

**Use of material.** *Molecular Plant-Microbe Interactions* is copyrighted, and anyone wishing to use data or illustrations appearing in this journal in another publication must obtain permission from the author(s) and from The American Phytopathological Society and provide a line crediting *Molecular Plant-Microbe Interactions* as the source. Authorization to photocopy copyrighted material for internal or personal use is granted for libraries and other users registered with the Copyright Clearance Center (CCC) Transactional Reporting Service, provided that the base fee of \$3.00 per copy of an article is paid directly to CCC, 21 Congress St., Salem, MA 01970. 0894-0282/96 \$3.00 + .00

**Issuance.** Nine times per year: January, March, April, May, July, August, September, November, December.

**Subscription price.** \$285 per year U.S.A.; \$310 elsewhere (expedited delivery outside the U.S.A.). (Canadian subscribers add 7% GST. Canadian GST #R 129888129). Single current issues (within 60 days of publication): \$60.00. Price of back volume and separate issues on request. Airmail rates for delivery outside North America quoted on request. No endorsement of any statements or claim made in advertisements is assumed by *Molecular Plant-Microbe Interactions* or by the publisher. Change of address: Provide APS Office with current mailing label and forwarding address 6 weeks before change.

**Journals On-line.** The American Phytopathological Society provides up-to-date information on-line about articles published in its three journals, *Molecular Plant-Microbe Interactions*, *Plant Disease*, and *Phytopathology*. On-line access is via APSnet, an Internet server located on the World Wide Web at URL address <http://www.scisoc.org/>. Current offerings include table of contents of recent issues, abstracts of articles, and listings of recently accepted but not yet published manuscripts. In 1995, on-line publication of the *Plant Disease* section "Disease Notes" constitutes first publication, with Notes subsequently printed in the paper journal. Future plans call for publication of full-text research articles on-line as well.

*Molecular Plant-Microbe Interactions*® (ISSN 0894-0282) is published nine times per year by APS Press, 3340 Pilot Knob Road, St. Paul, MN 55121-2097. Second-class postage paid at St. Paul, MN, and additional mailing offices. USPS 001963. POSTMASTER: Send address changes to *Molecular Plant-Microbe Interactions*, 3340 Pilot Knob Road, St. Paul, MN 55121-2097 U.S.A.
