

ERRATUM/Volume 72, Number 3, 1988

In the article "Potential Sources of Initial Inoculum for Bacterial Speck in Early Planted Tomato Crops in Michigan: Debris and Volunteers from Previous Crops," by D. J. Jardine, C. T. Stephens, and D. W. Fulbright, the citation for the work done in Ontario (page 246) was incorrect (reference 13: Kim, S. H. 1979. Dissemination of seed-borne *Pseudomonas tomato* by transplants. [Abstr.] *Phytopathology* 69:535). The correct citation is: Bonn, W. G., Gitaitis, R. D., and McNeill, B. H. 1985. Epiphytic survival of *Pseudomonas syringae* pv. *tomato* on tomato transplants shipped from Georgia. *Plant Dis.* 69:58-60.
